School Timetable Maker

Build the weekly timetable for six classes without double-booking anyone: pick a teacher for each class and period, see clashes flagged at once, and balance each teacher's load.

What the full file has

Timetable: Subject and teacher for every class in every period.

Teachers: Teacher codes, names and subjects.

Teacher Load: Periods per teacher in the week and total clashes.

Free 3-page preview: the next pages show the sample file exactly as it looks in Excel and Google Sheets.
